# THE ART OF TEXTILE

AT TEXINDIA

28th-30th September 2023, IKF Complex, Tirupur  
24th-26th November 2023, Biswa Bangla Mela Prangan, Kolkata

TEXINDIA is a premier event that is eagerly awaited by textile enthusiasts and professionals worldwide.

Job workers and contract manufacturing companies will be exhibiting their services for the knitting and garmenting community, fulfilling a long lasting need to integrate this vital segment of the value chain. The exhibition is focused on highlighting the knitted, woven, printed fabrics, accessories and other innovative textile applications that are emerging in the market.

The show brings together manufacturers, designers, distributors and suppliers of textiles from different parts of the world to showcase their products and exchange ideas. This helps in promoting business opportunities and fostering collaborations between industry players.
