INDIA 2025
Integrating the textile value chain

Homtex, India International Home Textile Exhibition is India's leading trade event that brings together suppliers and buyers of the entire gamut of products and solutions for home and décor.

The Indian home textile market has recorded impressive growth and is expected to maintain this growth trajectory over the next five years. It is therefore apparent that established brands and manufacturers must look to leverage this market potential.

Homtex offers the perfect platform for companies and brands in the home and décor sector to showcase their range of products and solutions to targeted trade buyers who comprise serious decision-makers from India and overseas. Your participation in Homtex will connect you to buyers from segments like merchant exporters, importers, specialty retailers, department stores, home stores, hypermarkets, online retailers, distributors, wholesalers, institutions, and interior designers.

Therefore, if you are a brand, contract manufacturer, importer, exporter, designer, or service provider in segments such as home textiles, home decor, home furniture, houseware, or gifts, then your participation in Homtex will fetch you desired returns.
