The Fabrics and Accessories Trade Show, having completed 32 successful editions, provides manufacturers and suppliers of apparel fabrics, trims, embellishments, and allied services a time-tested and unique platform to showcase their products and innovations to domestic and overseas buyers.

The textile sector is set to witness strong growth, driven by increased demand in the domestic and overseas markets, and the momentum is likely to be sustained in the coming seasons. In the current scenario, India's domestic apparel and textile industry contributes about 2.3% to the country's GDP, 13% to industrial production, and 12% to exports. India has a 4% share of the global trade in textiles and apparel.

The F&A Show is held in three major cities viz. Bangalore, Mumbai, and Delhi, all three are established textile and fashion centres. The show provides direct access to a cross-section of buyers who comprise senior decision-makers from India and overseas. At the professional level, the F&A Show is where industry leaders, influencers, and experts converge providing an ideal platform for business networking.
