India's Most Trusted Sourcing & Business Networking Trade Shows in India's Knitwear Capital for the Last 17 Years

Meet 250 + Leading Supply Chain Partners across India & Overseas at the FOUR Shows Yarnex, TexIndia, Apparel Sourcing Fair & DyChem Texprocess

Yarnex has become a platform for Innovation... Ideas... Fashion... and Sourcing. It holds a position of its own, bridging critical gaps in the supply chain and serving the needs of customers globally. This is perhaps why participation from across product categories has been growing significantly. More importantly, each edition sees new companies along with old companies showing their willingness to be present at this premier B2B event.

YARNEX was first launched in Tirupur in 2009 to enable manufacturers who primarily worked with cotton to explore and source other raw materials and specialty textiles. Over the years, Yarnex serves as a vital connector that enables manufacturers to broaden capabilities, explore new product categories and stay globally competitive.

Four Shows Yarnex, TexIndia, Apparel Sourcing Fair (ASF) and DyChem Texprocess shows will be held on **24, 25, 26 September 2026** at **India Knit Fair Complex, Avinashi Road, Tirupur.**

TexIndia caters to the need of apparel manufacturers by providing them direct access to suppliers of fabrics and accessories. Global buying houses, Major international and domestic brands are making their presence felt in south India, which makes it all the more important for a robust supply chain.

DyChem Texprocess will present future-oriented innovations for the international garment-manufacturing and textile processing sectors. Also provides insight into a wide range of application areas reaching from organic to inorganic chemicals used in processing houses.

Why you should be part of YARNEX / TexIndia / ASF / DyChem at Tirupur?

Tirupur, known to the world over as India's Knitwear Capital

has recorded its highest-ever exports of ₹ 46,000 crore in 2025-26, despite uncertainty arising from additional imposed by the United States and the West Asia conflict. Also the clusters transition from cotton based manufacturing to blended and man-made fibre (MMF) based production as been the need of the hour.

Yarnex / TexIndia / ASF / DyChem is being held successfully in Tirupur for the last **17 years**, entrenching itself as a brand and a vital cog in the sourcing and business networking cycle for the textile value chain. The Venue, India Knit Fair Complex is located off the main highway with close proximity to the main city of Tirupur and to major textile weaving centers like Coimbatore, Salem, Erode, Karur, Madurai, Komarapalayam as well as the major garmenting cities of Chennai and Bangalore amongst others making it an ideal platform for trade shows.

The 40th Edition of Yarnex, 24th Edition of TexIndia, 10th Edition of ASF – Apparel Sourcing Fair and 9th Edition of DyChem Texprocess will showcase their latest in **Fibers** - Natural (Cotton, wool, silk & flax/ramie); Man-made (regenerated & synthetic); Specialty; Others.

Yarns - Natural & Blends (Cotton, wool, silk & linen/ramie); Man-made & Blends (regenerated & synthetic); Elastic; Fancy; Specialty.

Apparel Fabrics - Knitted; Embroidered; Grey; Imported; Denim/Bottom Weight; Printed; Processed; Silk; Specialty; Velvet, Woollen; Shirting Fabrics Mill Made and Powerloom,

Trims & Embellishments - Buttons; Hangers; Zippers; Interlinings; Labels; Laces; Motifs; Stones & Studs; Tapes; Thread - Sewing & Embroidery.

Garments - OEM Manufacturers, Private Label (FOB), White Label Manufacturers, Contract Manufacturers, Job Workers & Custom Clothing Manufacturers for Children's wear, Women's wear, Men's wear, Active wear, Knits, Denim/Jeans, Intimates/Lingerie, Loungewear/Sleep wear. Fashion Accessories. **Dychem:** Dyes and Chemicals. **Services** - Textile related Packaging Material, Barcodes, Holograms, Testing Equipments, Testing / Certification, Quality Assurance, ERP Software, PAD Printing Machines for Garments and Logistics.

Exhibitors at the show hail from various parts of India like Ahmedabad, Bahadurgarh, Bangalore, Bellari, Bhilwara, Bhopal, Chandigarh, Chennai, Cochin, Coimbatore, Derabassi, Dindigul, Erode, Faridabad, Giridih, Gurgaon, Hyderabad, Indore, Karur, Kolkata, Ludhiana, Mumbai, Madurai, Meerut, Nagpur, Nashik, New Delhi, Noida, Palakkad, Panipat, Pollachi, Pune, Raipur, Rajkot, Salem, Secunderabad, Sonapat, Surat, Tirupur, Vapi, Wardha and also from countries like China, Egypt, Thailand.

Visitors to the show comprise of decision makers from India and overseas who represent composite mills, powerloom weavers, knitters, international buying houses & buying agents, apparel manufacturers and exporters, apparel brands, importers, fashion designers and fashion labels, distributors, wholesalers & trade body representatives.

Entry to Yarnex, TexIndia, ASF and DyChem is strictly for trade visitors only and will allow companies to interact and conduct business in a non-cluttered and extremely business-like environment.

The long list of exhibitors, which includes some of the topmost names in the fibers, yarns, fabrics, accessories, dyes, chemicals, garments and services domain, reflects the positive sentiments prevailing in the market and the enthusiastic reception that the event has generated.

TEXTILE FAIRS INDIA

Integrating the
textile value chain

TFI LEGACY SINCE 2004

TFI – Textile Fairs India has been a driving force in India's textile exhibition landscape since 2004, and has earned its place as the most trusted and largely connected platform for the entire textile value chain.

Bringing together manufacturers, buyers, and industry leaders from across the globe, with a legacy of excellence TFI offers a dynamic platform for sourcing, networking, and business opportunities. With exhibitions in diverse product categories viz., fibers, yarns, fabrics, trims, embellishments, apparels, hometextiles, dyes, chemicals, and services, TFI is where the entire value chain converges.

SUSTAINABILITY

With a strong emphasis on eco-conscious practices, TFI highlights sustainable materials, ethical production, and green innovation. It empowers the industry to evolve responsibly and promotes a cleaner, greener textile future.

NETWORKING

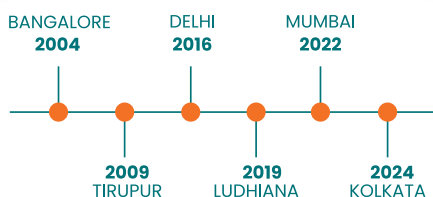

TFI is more than an exhibition—it's a thriving community. It brings together decision-makers, innovators, and thought leaders, creating opportunities for impactful partnerships and strategic collaborations.

INNOVATION

TFI is at the forefront of progress—showcasing the latest breakthroughs in textile technology, materials, and designs. It empowers exhibitors to stay ahead and inspire forward-thinking solutions.

Organised by:

India's most trusted sourcing exhibition inceptioned in 2004 in Bangalore F&A Show - Fabrics & Accessories Trade Show / Apparel Sourcing Fair was held in Bangalore on 6, 7, 8 February 2026, at Hall B, Trade Centre, KTPO, Whitefield, Bangalore. This premier three-day event was a significant gathering for textile industry professionals, offering an immersive experience featuring an extensive range of products from fabrics and accessories to garments.

The Twin Shows was inaugurated by the Chief Guests Ms. Dipti Bopaiah, Managing Director - Hub Lead for ISC (Indian Subcontinent Region Managing India, BD, SL and PAK), PVH Corp, Bangalore and Mr. Venu Nair, Chief of Strategic Partnerships and Omnichannel, Myntra on 6th February along with industry stalwarts. The shows concluded successfully its 23rd year without break in Bangalore.

For over two decades, the F&A Show and the Apparel Sourcing Fair in Bengaluru have remained a key annual convergence point for the textile and apparel ecosystem. Industry stakeholders from India and international markets regularly gather here to source materials, discover trends, forge partnerships, and explore upcoming opportunities across the global fashion and textile industry.

The show featured 103 leading manufacturers and suppliers, each recognized as market leaders in their respective segments, representing fabrics, trims, embellishments, apparels, fashion Accessories and services. The show continues to serve as a vital sourcing and networking destination for domestic and international buyers seeking innovation, quality, and scale from India and overseas suppliers.

The highlight of the show was **TFI - LIFETIME ACHIEVEMENT AWARD, Honouring Textile Visionary SHRI. DINESH J HINDUJA**, Architect of India's Apparel Export Revolution & Founder of Gokaldas Exports at the twin trade shows in Bangalore

7th Feb 2026 evening recognised **Shri. Hinduja's** pioneering role in transforming the city's textile ecosystem through his leadership at Gokaldas Exports, where his vision helped redefine India's position in the global apparel supply chain. His work not only built one of the country's most respected export businesses but also created an industrial framework that nurtured talent, generated employment, and established Bengaluru as a centre of excellence in garment manufacturing.

Shri. Dinesh J Hinduja attended the felicitation along with his wife Mrs. Nalini Hinduja, his children and their spouses, and his partner and brother Mr. Rajendra Hinduja.

The gathering saw the presence of several industry stalwarts, senior professionals, and members of the fashion and manufacturing fraternity who have been part of the city's growth story over the past four decades.

The evening commenced with a specially commissioned film that traced Shri. Hinduja's journey and the evolution of Bengaluru's garment industry. This was followed by an emotional keynote address by Mr. Prasad Bidapa, who spoke about Shri. Hinduja's mentorship, leadership, and the profound cultural & economic impact of his work. The address resonated strongly with the audience, bringing back memories of an era that shaped modern Indian fashion and manufacturing. In a deeply moving and dignified evening celebrating one of the most influential figures in India's garment and textile industry, industry leaders, designers, entrepreneurs & long-time associates gathered at the Trade Centre, KTPO, Whitefield, to honour **Shri. Dinesh J Hinduja** for his extraordinary contribution to Bengaluru's evolution as a global hub for fashion manufacturing and exports.

The Award ceremony brought together close associates and industry leaders who reflected on the operational excellence, global vision, and people-centric leadership that defined Mr. Hinduja's legacy and candid recollections of a transformative period in Bengaluru's industrial history

After receiving the award Dinesh Hinduja said, "I accept this Lifetime Achievement Award with immense gratitude and responsibility. Textiles in India are not just an industry - they are livelihoods, heritage, and nation-building. Being able to create global opportunities while generating employment for over 50,000 people has been the greatest achievement of my journey."

Speaking at the awards some notable voices are:

Mr. Sivaramakrishnan Ganapathi (Siva),

Vice Chairman and Managing Director, Gokaldas Exports Limited said, "Dinesh was always ready to give solutions. He was never short of energy, and played a stellar role of mentor mostly behind the scenes. It is an honour to follow his footsteps."

Mr. Atul Ujagar

Former MD and Partner Management Director of Nike Sourcing - Indian Subcontinent "Dinesh Hinduja's visionary leadership transformed India's textile ecosystem — from supply chain innovation to global competitiveness. His commitment to quality and sustainable growth didn't just elevate Bengaluru as a textile hub — it redefined India's place on the world stage. This lifetime achievement award is a honour to a man who blended industry insight with deep integrity."

Mr. Nitin Prasad

Vice President Sourcing, Walmart Global Sourcing India Pvt. Ltd.

"It's rare to encounter a leader whose influence ripples across continents and yet remains deeply rooted in community impact. Dinesh's contribution to the textile industry goes beyond economic value; he championed modern practices, inclusive employment, and empowered countless artisans and workers. His legacy will continue to inspire for generations."

Mr. Ramanujam Venkat Raghavan

CEO & Director, Shahi Exports Pvt. Ltd.

"Dinesh Hinduja set new standards of excellence — not just in production and technology, but in ethical leadership. His unwavering dedication to workforce development, innovation, and industry collaboration helped shape the narrative of Indian textiles globally. This award recognizes not just his achievements, but his enduring impact on people and the sector alike."

Another highlight of the evening was the panel discussion titled **“Beyond Tariffs: Repositioning the Apparel & Textile Industry for Global Competitiveness in a New Trade Order”** with speakers Shri. Dinesh J Hinduja, Architect of India's Apparel Export Revolution & Founder of Gokaldas Exports; Mr. Sivaramakrishnan Ganapathi (Siva), Vice Chairman and Managing Director, Gokaldas Exports Ltd; Mr. Ashish Kumar, CEO & Whole Time Director Suflej Textiles and Industries Ltd. Fibre, Yarn, Fabrics, Home; Mr. Atul Ujagar, Former MD and Partner Management Director of Nike Sourcing - Indian Subcontinent and it was moderated by Prof. Dr. Jonalee D Bajpai, Director - NIFT Raebareli Prof. Department of Fashion Technology, NIFT Bengaluru, (Ministry of Textiles, Govt. of India).

The felicitation ceremony culminated in the formal presentation of the honour to **Shri. Dinesh J Hinduja** by **TFI CEO Mr Krishnamurthy & his daughter Srujana**, followed by his address to the gathering, where he expressed gratitude to colleagues, advisory board, employees, and partners who were part of the journey.

The evening concluded with a curated dinner reception that celebrated not only an individual achievement but also the collective story of an industry that helped shape modern Bengaluru. The award ceremony stood as a fitting acknowledgement of a visionary whose work continues to influence generations of professionals and the global perception of Indian manufacturing excellence.
