

TFI TREND FORUM

TFI TREND FORUM: In our continuing efforts to provide an ever-bigger platform to showcase the best fibres, yarns, fabrics, accessories, apparels & home textiles, we make space for TFI Trend Forum at our Delhi show as a value addition with an unprecedented opportunity to the exhibitors. Trend Forum keep buyers updated with the latest domestic and international trends and innovations curated by the exhibitors. This forum provides a clear and precise view of the season. A concentrate of trends from Autumn Winter and Spring Summer, major directions and key themes to design and develop collections. There will be also a story on "Sustainability / Circularity" at the Trend Forum. TFI Exhibitors get an opportunity to showcase their most innovative & best collections in the specially designed TREND FORUM to draw more buyers' attention.
