20th Edition of F&A Show - Bridges critical gaps in the textile supply chain and provides a professional environment for manufacturers and buyers to network and transact business.

Launched in 2004, the F&A Show has become a comprehensive and robust global platform that provides manufacturers and suppliers of fabrics, trims, embellishments and related services from India and overseas, an opportunity to reach out to buyers across the textile value chain. The 20th edition of F&A Show will be held on 15,16,17 (Mon, Tue, Wed) July 2019 at Pragati Maidan, New Delhi.

The 2018 edition of F&A Show attracted 247 companies that occupied 10,000 square meters of exhibition space, spread over hall nos. 8, 9, 10 & 11. A well-balanced product-mix displayed by manufacturers from across the textiles and accessories spectrum met buyers' expectations.

India's textile value chain reaffirmed its faith in F&A brand as a strong and meaningful platform for bridging the sourcing gaps and providing opportunity for dialogue amongst industry leaders from South Asia.

The fact that a majority of companies who exhibited in this edition have once again confirmed their participation with bigger space, F&A Show is confident that a large number of new exhibitors will be added to the show. This is also true in the case of textile and accessories companies from overseas.
